

The SIXTH ANNUAL Heart + Home 5K and 1-Mile Fun Run needs your sponsorship!

This year's race will be hosted by Trinity Church in Mentor on Saturday, October 7, and all proceeds from the race will go to Hannah's Home, a maternity home in Mentor that supports single pregnant teens and young women. Would you consider being a sponsor for this race? Becoming a sponsor of this race is an excellent way of not only connecting with the community but also benefitting an organization that reaches out to those in need in Lake County.

Hannah's Home does not receive any government funding and, as such, relies solely on private donations to keep its doors open to women who need a safe place to live during their pregnancies and afterwards. They not only offer a safe and nurturing environment for both mother and child that helps provide residents with strength and encouragement, but they also help women set goals, learn life skills, continue an education, pursue employment, prepare for childbirth, and plan for the future—as evidenced in their recent groundbreaking on a brand-new phase of on-site housing! You can read more about the mission and motivation of Hannah's Home at hannahshome.org.

There are several sponsorship levels to choose from in supporting the Heart + Home 5K. More information on purchasing sponsorships can be found on the enclosed form or on our race website at <http://heartandhome5k.com/>.

Last year, our sponsors helped us raise \$15,000 for Hannah's Home for a total of over \$60,000 in five years! With your help, we can keep the momentum going! Thank you for considering becoming a sponsor for the **Heart + Home 5K**—together, we can play an important part in supporting new life in Lake County.
